HARBOR INDUSTRIES, INC NAMED THE JEFFREY BUTLAND FAMILY OWNED BUSINESS OF THE YEAR BY THE US SBA (SMALL BUSINESS ADMINISTRATION)

Company President Tim Parker says, "It is an incredible honor for our company to receive this award. We are a company that is committed to the highest standards in everything we do, and to be recognized on the national level is a thrill for us. Our family is fortunate to have such a fantastic group of people working with us. We cannot thank all of them enough for making this recognition possible."

L-R: Cindy Parker Euscher, Ted Parker, and Tim Parker

The Parker family and company representatives will be accepting the national Jeffrey Butland award on May 18th during National Small Business Week events in Washington, DC.

Harbor Industries, Inc. was founded in 1946 in Grand Haven, MI by Henry T Parker, Sr.. The company experienced tremendous growth under the leadership of Ted Parker, Henry's son. At the beginning of 2008, the company completed a successful management transition to the next generation of the Parker family. Ted's children have taken over day-to-day management of the company. His son Tim Parker is President of the company and his daughter Cindy Parker Euscher is the Executive Vice President. Ted continues to serve as the company's Chairman. He says of the award, "Few family owned businesses are able to transition from one generation to the next. Even less are able to successfully pass the torch to a third generation. I am proud of the longevity that we have been able to achieve and appreciate the Small Business Administration honoring our accomplishments."

[Harbor Industries, Inc.](#) designs, develops, and manufactures point-of-purchase displays and store fixtures for the country's leading consumer good companies and retailers. Their products are distributed both throughout the United States and around the world. The Company headquarters are located in Grand Haven, Michigan.
