Collaboration Benefits Entire Community

L-R: Petoskey Machining & Hydraulic Repair LLC, Owner, Scott Schiemann;
NLEA, Entrepreneurial Division Director, Brian Braddock;
Petoskey-Harbor Springs Community Foundation, Program Officer, Sara Ward

Scott Schiemann, owner of Petoskey Machining & Hydraulic Repair, LLC received assistance from Brian Braddock, Entrepreneurial Division Director for the Northern Lakes Economic Alliance (NLEA). Through grant money provided by the Petoskey-Harbor Springs Community Foundation the NLEA is able to work with clients like Schiemann to promote Entrepreneurs in Emmet County. For small businesses the NLEA specializes in start-up counseling, assistance in writing a business plan, facilitating access to capital resources, and connecting entrepreneurs with professional business mentors. Schiemann is one example of how the collaborative effort between the two groups has helped people move forward with their business pursuits.
